Dear Tamanna

03 Jul 2026

Congratulations!

We are pleased to offer you the position of Data Science Intern at Axlero Solutions. Following the successful completion of our selection process, we are delighted to welcome you to our internship program. This internship will provide hands-on exposure to real-world data science projects, modern technologies, and industry-standard development practices.

Internship Stipend Structure

Component	Amount (INR)
Monthly Internship Stipend	₹8,000
Performance-Based Incentives	As Applicable
Maximum Monthly Earning Potential	Up to ₹8,000

Important: The stipend is up to the in-hand amount mentioned above and is solely dependent on the project development performance, quality of deliverables, attendance, professional conduct, task completion, and overall contribution of the intern throughout the internship period.

The stipend, if applicable, shall be credited only to the intern's verified bank account submitted during the onboarding process and subject to successful completion of monthly performance evaluations.

Position & Team Information :

Position: Data Science Intern

Department: Data Science & Machine Learning

Reporting To: Data Science Lead / Project Manager

Work Mode: Remote

Your internship duration is as per the Start Date and End Date mentioned above.

Roles & Responsibilities :

As a Data Science Intern at Axlero Solutions, you will be expected to:

- Collect, clean, and analyze datasets to uncover patterns and actionable insights.
- Assist in building, training, and evaluating machine learning and predictive models.
- Communicate findings through reports and visualizations while ensuring data accuracy.

- Write and optimize SQL queries to extract, transform, and analyze data from multiple sources.
- Identify trends, patterns, and key insights to support business objectives.
- Collaborate with cross-functional teams on data-driven projects and business requirements.
- Prepare documentation, reports, and analytical summaries for stakeholders.
- Participate in live training sessions, project reviews, technical discussions, and knowledge-sharing activities.
- Complete assigned tasks and project deliverables within established timelines while maintaining quality standards.

Company Policies

- The intern shall comply with all company rules, policies, and professional standards.
- Regular attendance, timely submission of assigned tasks, and active participation in team activities are mandatory.
- Project assignments may be modified based on business requirements and learning objectives.
- The company reserves the right to terminate the internship in cases of misconduct, policy violations, poor performance, or prolonged inactivity.
- Any company-issued credentials, software access, repositories, databases, and resources shall be used strictly for authorized purposes only.
- Internship completion certificates, experience letters, recommendation letters, and related benefits shall be issued only upon successful completion of the internship requirements and company clearance procedures.

Confidentiality & Non-Disclosure Agreement

During your internship, you may gain access to confidential information including but not limited to source code, application architecture, databases, APIs, client information, business processes, technical documentation, credentials, and proprietary technologies.

By accepting this offer, you agree that:

- All confidential and proprietary information remains the exclusive property of the company.
- You shall not disclose, copy, distribute, publish, or share any confidential information with any third party without prior written approval.
- Source code, repositories, development environments, designs, documentation, and intellectual property created during the internship shall remain the sole property of the company.
- Upon completion or termination of the internship, all company assets, credentials, and materials must be returned or permanently deleted as instructed.
- Confidentiality obligations shall remain effective even after the completion of the internship.

Any breach of confidentiality or misuse of company resources may result in immediate termination and legal action where applicable.

If you agree to the terms and conditions stated in this letter, please sign and return a copy of this offer letter as confirmation of your acceptance. We look forward to your contributions and wish you a productive and successful internship experience with our organization.

Intern Acceptance :

I, have read and understood the terms of this offer and hereby accept the internship position at Axlero .
